

Project Information Form

Use this form to describe the product, raw materials, planned output and factory conditions before a production-line review. Unknown items may be marked 'not confirmed'.

1. Company and project contact

COMPANY / ORGANIZATION	CONTACT NAME AND ROLE
COUNTRY / PROJECT LOCATION	WHATSAPP AND BUSINESS EMAIL

2. Target product

☐ CLC physical-foaming blocks	☐ NAAC chemical-aeration blocks
☐ Lightweight wall panels	☐ EPS lightweight products
☐ Ceramsite lightweight products	☐ Existing-line product upgrade
☐ Not confirmed yet	

PRODUCT DIMENSIONS Length, width and thickness	DENSITY / STRENGTH TARGET State the test standard if known
PLANNED DAILY OUTPUT State shift hours and working days	INTENDED WALL USE Partition, infill, insulation or other

3. Available raw materials

☐ Cement	☐ Sand
☐ Stone powder	☐ Fly ash
☐ EPS beads	☐ Ceramsite / expanded clay
☐ Other mineral input	☐ Material reports available

Factory, utilities and project stage

The complete line must fit the actual workshop, curing area, utilities, logistics and delivery plan.

RAW-MATERIAL SOURCE, MONTHLY AVAILABILITY AND ANY EXISTING TEST DATA

Do not assume suitability from the material name alone.

4. Site and utilities

AVAILABLE LAND / WORKSHOP SIZE

Attach a layout if available

POWER SUPPLY

Voltage, phase, frequency and capacity

WATER AND COMPRESSED AIR

Source, quality and available capacity

ROAD, CRANE AND CONTAINER ACCESS

State any height or weight limits

CURING AND FINISHED-PRODUCT AREA

Indoor / outdoor and available space

LOCAL LABOUR AND SHIFTS

Operators per shift and skill level

5. Current project stage

☐ Early research	☐ Supplier comparison
☐ Budget approved	☐ Land / workshop ready
☐ Utilities in planning	☐ Existing-line upgrade
☐ Target purchase within 3 months	☐ Target purchase in 3-6 months
☐ Target purchase in 6-12 months	☐ Timing not confirmed

QUESTIONS, REQUIRED SCOPE, EXCLUSIONS AND ATTACHMENTS

List confirmed, locally supplied or open items and note any material reports, drawings, layouts, photos or videos attached.
